**Pittsburgh** Mills Grand Opening April 30th! Win a long box of comics every hour!

Meet **Steelman** from 1-3!

**Press Release:**

**New Dimension Comics Opens 5th Store inside Pittsburgh Mills Mall. Grand Opening Offers \$10,000 Worth of Comics FREE.**

On April 30th, the 5th location of New Dimension Comics will host it's grand opening at the Galleria at **Pittsburgh Mills** in Tarentum, PA where they will hold a raffle each hour for a free box full of comic books with a retail value of nearly \$1000 each.

This will be New Dimension Comics' largest store at 5500 square feet. Other events planned to celebrate the opening include many extra raffle prizes including statues, signed comics, rare variant comics, posters, shirts, and more. **Pittsburgh Steel Man** will make a special appearance from 1-3. **The Steel City Ghostbusters** will also be on hand for photos.

"I wanted to do something crazy for the grand opening of our 5th store", says owner Todd McDevitt. "I thought every fan would be thrilled to get a full, stuffed box full of comic books. When you add them all up, it comes to about \$1000 worth. The crazy part is that we will start having that raffle EVERY HOUR beginning at 11:00. With 11 drawings during the day, that means over \$10,000 in comics will be given away!" The store will be open from 10-9 and winners must be 18 years of age or older or a parent can claim the prize. Winners must be present to win.
